

We Hear It

C. G.
My fears feel big
Am G.
But my God is bigger
C. G.
He's in control
Am. G.
So I can rest in Him

C. G.
My heart is heavy
Am. G.
But His burdens light
C. G.
What an easy yoke to carry
Am. D.
When Hes holding all the weight

Am. Em. D.
He makes me lie in fields of green
Am. Em. D.
He leads me by the quiet stream

G. D.
What a life we get to live
Em. C.
To learn to walk in all He's promised
G. D.
Because He is our peace
Em. C.
The wind and waves will now be silenced
G. D.
Though the darkness closes in
Em. C.
We know His grace it is sufficient

G. D.
Amazing Grace how sweet the sound
C.
And we hear it
G. D.
Amazing Grace how sweet the sound
C.
And we hear it
